
CORE VALUES

We are a praying people who passionately pursue the presence of God.

We are all about worshiping God and loving people.
(Worship & prayer)

We're small-town people with big-town vision.

We will not be limited by small thinking, because just good enough is just not good enough.
(Excellence, Faith & Growth)

We love Jesus and His "Church!"

The local church is the hope of the world, and we will invest our lives to build God's church both locally and globally.
(Ecumenical-the Church)

We're blessed...to be a blessing!

We value giving and generosity. God has been generous to us, and where much is given, much is required.
(Giving & generosity)

We're on a mission!

In order to reach people no one else is reaching, we have to go places no one else is going!
(Missions & Evangelism)

Changed people change people.

We love it when people are changed by God's presence, find hope for their lives, and connect others to God.
(Transformation & Restoration)

**We are a multi-church:
multigenerational, multicultural, multi-site.**

We value every generation and love every age group.
We unapologetically target young people in our practice.
(Multi-generational)
